KENSINGTON PARK SCHOOL

# Swimming Scholarships

Apply now for September entry  
Entry age: 11, 13 and 16 years

## Kensington Park School

A new independent school has opened in the heart of London offering the highest quality education to boys and girls from 11 to 18. KPS operates from two buildings either side of Kensington Gardens:

- Pupils aged 11-16 will be taught in Bark Place on the north side of the park, from September 2018
- KPS Sixth Form, in Queen's Gate just south of the park, opened in September 2017 for pupils aged 16-18

Kensington Park School has attracted some high-profile teachers from the independent schools' sector: Paul Vanni, the current Deputy Head of St Paul's Girls' School, will join KPS as Head Master from Easter 2018. Other newly-appointed members of staff from St Paul's (boys) School include the former acting High Master, Senior

Tutor, Undermasters and heads of department who are also teachers of maths, science and economics. Many of these distinguished staff have 25-year track records in helping their pupils achieve outstanding A Level results as well as giving professional advice on entry into the world's finest universities, including Oxbridge and the US Ivy League.

## The Swimming Programme

Swimming scholarships are awarded on entry to Kensington Park School. They are designed to support committed and talented pupils who are already spending significant amounts of time developing their competitive swimming career in addition to pursuing their academic studies. KPS explores ways to make the best use of time during the day to enable pupils to manage their busy training schedules.

KPS understands that pupils will have their own training routine involving a personal coach and a preferred swimming pool. For this reason the school has adopted a flexible approach which enables pupils to take advantage of their 'free' time during the school day to travel off site for training.

Sixth Formers may also take advantage of the outstanding facilities at Ethos, the sports centre for Imperial College, via

our pupil membership scheme. This includes access to the 25m, 5-lane pool as well as the outstanding gym facilities for personal fitness. There is also a 20m pool at Porchester Gate in Bayswater, within walking distance of the lower school, which our younger pupils have permission to use with their coach on the occasions when training has to fit more closely around academic lessons.
