KENSINGTON PARK SCHOOL

# Sports Scholarships

Apply now for September entry  
Entry age: 11, 13 and 16 years

## Kensington Park School

A new independent school has opened in the heart of London offering the highest quality education to boys and girls from 11 to 18. KPS operates from two buildings either side of Kensington Gardens:

- Pupils aged 11-16 will be taught in Bark Place on the north side of the park, from September 2018
- KPS Sixth Form, in Queen's Gate just south of the park, opened in September 2017 for pupils aged 16-18

Kensington Park School has attracted some high-profile teachers from the independent schools' sector: Paul Vanni, the current Deputy Head of St Paul's Girls' School, will join KPS as Head Master from Easter 2018. Other newly-appointed members of staff from St Paul's (boys) School include the former acting High Master, Senior

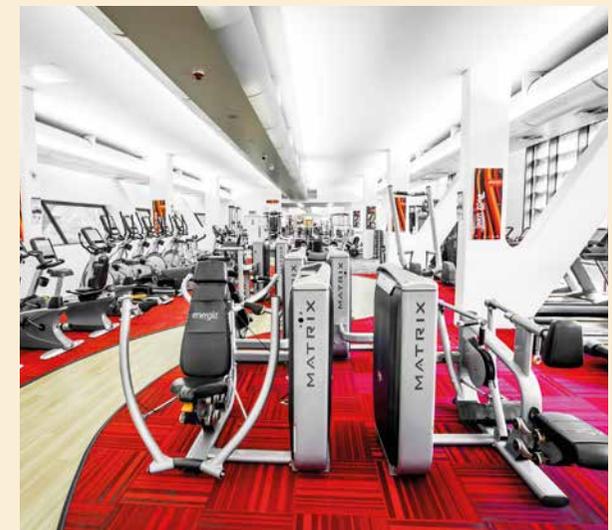

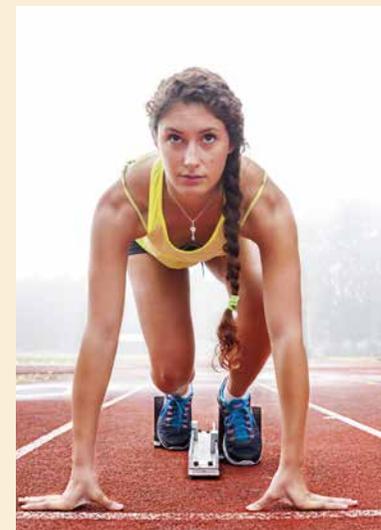

Tutor, Undermasters and heads of department who are also teachers of maths, science and economics. Many of these distinguished staff have 25-year track records in helping their pupils achieve outstanding A Level results as well as giving professional advice on entry into the world's finest universities, including Oxbridge and the US Ivy League.

## Sports Scholarships

Scholarships awarded at 11+, 13+ and 16+ entry are intended to support committed and talented pupils who are already dedicating significant amounts of time to their specialist sport whilst continuing with their academic studies.

The support we offer is financial by way of scholarship and additionally offers the freedom to remain with an existing coach/club or to join one of our partners. We also explore ways to make the best use of time during the day for pupils to practise, train or rehearse in what can be a demanding regime that may require a commitment of 20+ hours per week.

The scholarship includes pupil membership of a local fitness centre, such as Ethos (the sports centre for Imperial College), as KPS recognises that dedicated athletes will often need to complement their sport through a personalised strength and conditioning programme.
