2020 A level & GCSE Results

As a result of the Covid-19 pandemic, A level and GCSE results in summer 2020 were based on Centre Assessed Grades, or CAGs. Students were assigned the grades their teachers believed they would have been most likely to attain had they been able to sit their exams, taking into account a broad range of evidence, including classwork, non-examined assessments, previous exam results, and records of student performance over their course of study.

A level

In the Sixth Form, 65% of grades awarded were an A* or A. The highest performing subject, which saw 100% of students score an A* or A grade, was Chemistry, followed by Maths, Politics and Psychology.

Special mention must go to the following students who achieved tremendous results:

Zoe	A* A* A*	UCL, Psychology
Kitty	A* A* A*	University of Birmingham, Law
Zara	A* A* A* A	UCL, Psychology and Language Sciences
Alex	A* A* A	University of Warwick, Mathematics
Khashayar	A* A* A	Kings College London, Medicine

Our students' A level results secured their places at a wide range of universities, including UCL, King's, Warwick, Birmingham, Leeds, Liverpool, and Queen Mary for courses such as Medicine, Psychology, Physics, Business Management, Engineering, Maths, Biomedical Science and Law.

GCSE

Summer 2020 saw our first cohort of Year 11 students complete their GCSEs at KPS. With 65% of grades awarded a Grade 9 – 7, our students' results significantly exceed the national average of 27% Grades 9 – 7.

Maths and Computer Science, in particular, deserve special mention with 100% of students scoring Grades 9 – 6.

Special mention goes to the following students for their superb individual performances:

Layan	Achieved Grade 9 in six subjects and Grade 8 in three subjects.
Arun	Achieved Grade 9 in seven subjects, one Grade 8, one Grade 7, and one Grade 6.
Teagan	Achieved Grade 9 in three subjects, two Grade 8s, two Grade 7s, and two Grade 6s.
Albi	Achieved Grade 9 in six subjects, one Grade 8 and one Grade 6.
