## 2021 A level & GCSE Results

As a result of the continued challenges posed by the Covid-19 pandemic, A level and GCSE results in summer 2021 were assigned on the basis of Teacher Assessed Grades, or TAGs. While formal examinations were cancelled, TAGs were based on a range of evidence produced by students, including assessments taken under exam-like conditions.

### A level

In the Sixth Form, our leavers secured another impressive set of results. Highlights from our summer 2021 A level results series include:

**A\* – A 58%**  
**A\* – B 78%**  
**A\* – C 90%**

We saw particularly impressive results in Further Maths (75% A\*-A), Politics (88% A\*-A), History (100% A\*-A), and Psychology (67% A\*-A).

16 students achieved at least two A\* grades, with 11 students achieving A\*AA, and three students achieving a full sweep of three or four A\* grades.

Our students secured places at leading UK universities, such as Oxford, Cambridge, Durham, Bath, Bristol, Exeter, Imperial, King's, UCL, Reading, Warwick, and York, for courses including Political Sciences, Business Management, Engineering, International Relations, Economics, Chemistry, Mathematics, Biological Sciences, and Languages.

## GCSE

Highlights from our summer 2021 GCSE results series include:

**9 – 7 63%**

**9 – 6 83%**

We saw particularly impressive results in Biology, Computer Science, and Physics, with 100% Grades 9-6, as well as in Mathematics (96% Grades 9 – 6) and Chemistry (84% Grades 9 – 6).

Three students achieved a straight run of Grade 9s in 9 or 10 subjects, with 45% achieving Grades 9-8 in at least half of their subjects.
